To: The Honorable, Sean H. Lane

**U.S. Bankruptcy Court Of The Southern District Of New York,
United States Bankruptcy Court at the
Southern District of New York
One Bowling Green
New York, New York**

Dear, Honorable Sean H. Lane

I Raymond J. Coburn , Hereby Object To the Debtor's Plan Of Reorganization, And I Also Ask That The confirmation hearing be placed on hold, until an equity committee, and an independent examiner can be appointed, as myself and over 100 other hardworking individual's we all believe in one thing , That this Very well crafted "BAIT AND SWITCH" scheme has been planned for several years even prior to entering bankruptcy, Your honor we also know that this whole scheme is also in violation of The Sarbanes-Oxley Act, we have very closely examined the guidelines of the exact violation of which the debtor's action's fall under. I will again ask For The court to please place the confirmation hearing on Hold, until an equity committee can be appointed, Your Honor We the common shareholders have never been granted , an adequate defense on our behalf that was not confronted by these debtor's, to stop representing us, I am also Quoting the Sarbanes Oxeley act on this

**objection/request letter it is as follow's: Summary of
Section 802**

This section imposes penalties of fines and/or up to 20 years imprisonment for altering, destroying, mutilating, concealing, falsifying records, documents or tangible objects with the intent to obstruct, impede or influence a legal investigation. This section also imposes penalties of fines and/or imprisonment up to 10 years on any accountant who knowingly and willfully Summary of Section 802

This again is just the icing on the cake Your honor basically this is were it just begins, after several attempts Your honor we have asked for appointment of an independent examiner that the debtor's may not be allowed to contact due to a conflict of interest,. For a proper evaluation of all assets in a "today's" market value. As for the new support that the debtor's have obtained, is also a questionable reason WHY? WHY now ? Why after they were just on the brink of filing a chapter 7 request for a sale , and a guarantee to object to all further plans too not participate in taking other's hard earned money...these are just a few of the questions we ask WHY? Also Why not Take this to the court that it was supposed to be in which was their own headquarters' based state? Also I noticed on the docket # 630 states a published report from RKF , that was NOT approved by the FCC, That is also very illegal, we again ask Why have these items and question's been surpassed for so very long? Your

honor the answers to these questions lay within this very well crafted "BAIT AND SWITCH" to divert the funds from the common shareholders to financially benefit certain majority investors especially the Preferred Shareholders and also the former majority shareholder EchoStar Corporation and the former majority shareholder Hedge Fund Harbinger and their manager Phillip Falcone.

I AGAIN ASK PLEASE YOUR HONOR WITH SUCH HIGH RESPECT OF THE UNITED STATES OF AMERICA, THAT THIS CONFIRMATION HEARING BE PLACED ON HOLD UNTIL AN EQUITY COMITEE, FOR A TRUE VALUE OF THIS SPECTRUM BE DONE.

Your Honor We Know the reasons why the debtors have been plotting this very well crafted scheme is because they want to undervalue the assets, in order to remove the common shareholder's and then a few months / year's later turn and flip this spectrum for billions.. because again Your Honor this is a very well crafted scheme .. PLEASE HEAR US..PLEASE

SINCERLEY: __Raymond J. Coburn__
